

Sim Tang Eng

Graduated with B.D.S. from University Malaya in 1985. Obtained his MFGDP(UK) in 1997. Underwent his clinical attachment in oral implantology in Dental School in University of Frankfurt and was awarded Certificate in Oral Implantology in 2001. Has been serving as part-time lecturer and clinical supervisor in the Faculty of Dentistry, University of Malaya. He is also a member of the teaching faculty for the oral implantology course organized jointly by University Malaya and University of Frankfurt.

He is an accredited member of The Australian Society of Implant Dentistry and also a Diplomate & Fellow of The International Congress of Oral Implantologists.

Besides implants, his other clinical interests revolve around esthetic dentistry. To raise the awareness of this challenging clinical discipline, he formed the Malaysian Academy of Aesthetic Dentistry and was duly elected as the Founder President. Dr. Sim was also very actively involved with the organization of scientific meetings and continuing dental education courses for the Malaysian Dental Association. He has traveled extensively and has been sharing his knowledge in implantology with dental colleagues from other countries.

He is the principal partner of a private group practice.
