Entry Form *

Title of the case _____

Name _____

Age & year of study _____

Address _____

Telephone _____

Email _____

University _____

Dental school _____

Supervisor# _____

Head of Department## _____

Reference **: _____

- Has to be mentioned at anytime ***
- Maybe mentioned if wanted by Dentsply
- No reference should be made at all

Herewith I agree that the provided pictures/text may be used by DENTSPLY for any purpose like technical documentation, lectures, duplicated slide presentations and advertising.

Place, Date

Signature CO-Signed by HOD or Dean with Chop

* To be filled in for each case separately.

** Please fill in the exact word of the reference.

*** Please check ONE of the following options to determine the usage of you reference.

DENTSPLY cannot be held responsible for the any loss of entries during submission.

The decision of the judges is final and no appeal by any of the contestants will be entertained.

##An Entry is not considered valid unless it is cosigned by the participant's supervisor and head of department.

DENTSPLY reserves the right to stop the contest at any given time without notifying any of the participants.

Protaper Evaluation Form (University)

Please complete the questionnaire and return together with your case study and entry form

Questions Yes No

1. The directions for use provided was easy to follow

2. How do you rate the overall performance of Protaper as compared to you currently used method of endodontic treatment?

Please indicate current system used _____

	Much better	Better	No Difference	Worse	Much worse
Flexibility					
Cutting efficiency					
Ease of canal preparation					
Time required for the preparation					
Shape of the canal after instrumentation					
Ease of obturation					

3. How do you rate the Protaper system?

1 (Poor)	2	3	4	5	6	7	8	9	10 (Excellent)
----------	---	---	---	---	---	---	---	---	----------------

What could be improved in the current case study competition or any other comments and suggestions:

Please note: All questionnaires are for internal use only and will be treated as confidential
Thank you for your input.

Protaper Universal Asian Case Contest 2007/2008

Jury Form

Case Number	
--------------------	--

DENTSPLY Protaper Case Study contest is aimed at encouraging undergraduate & post-graduate students in the field of Endodontics. Students all over Asia are invited to present their cases using the Protaper Universal system to encourage the advancement in the discipline of Endodontics. Each area/country will nominate 20 cases and the winner of each location will be selected from these 20 cases by the Dentsply Asian Endo Advisory Board. These winners will be the countries representative to present his/her case at the Asian Endodontic Forum 2008. This jury form provides the standardized criteria to facilitate the judging process on an Asian wide basis.

Please rate the following criteria according to provided scale:

Criteria for evaluation	Low				High
Degree of clinical difficulty	2	4	6	8	10
	Incomplete			Complete	
Documentation of treatment steps	2	4	6	8	10
	Low			High	
Preciseness of text description of Clinical photographs & radiographs	2	4	6	8	10
	Poor			Good	
Quality of discussion	2	4	6	8	10
	Poor			Good	
Quality of instrumentation	2	4	6	8	10
	Poor			Good	
Quality of obturation	2	4	6	8	10
	Poor			Outstanding	
Overall case presentation	6	12	18	24	30

Total Score (Out of 100 points maximum)
